

### C16487547: MxNext - Toast Message shows behind the grid using the browser

<b>Type</b> Functionality	<b>Priority</b> 2 - Medium	<b>Estimate</b> None	<b>Milestone</b> None
<b>References</b> None	<b>Automation Status</b> Pending Review		

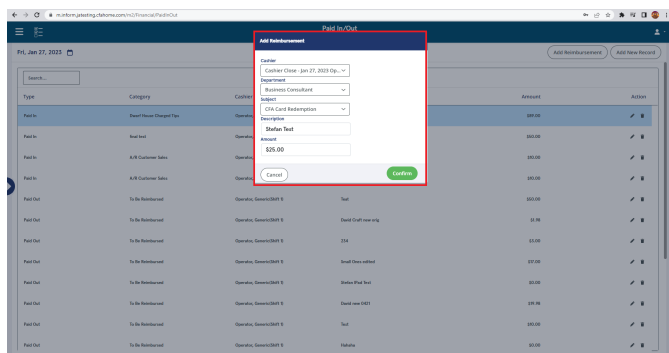

#### Preconditions

GIVEN the user has logged into <https://m.inform.jatesting.cfahome.com/m2/login>  
 SELECT > Cash Management > Paid In / Out

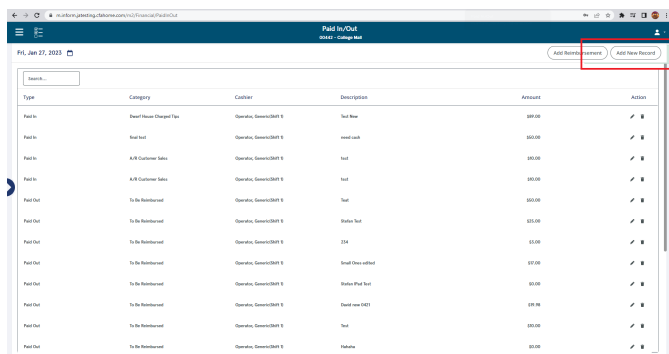

#### Steps

ADD a new reimbursement

TAKE note that the toast message is displaying behind Add New Record

#### NOTE

It works on the Ipad

The screenshot shows a mobile browser interface for a 'Paid In/Out' application. The browser address bar shows 'm.inform.jateesting.cfahome.com'. The application header includes a menu icon, the title 'Paid In/Out', and the location '00442 - College Mall'. Below the header, there is a date 'Fri, Jan 27, 2023' and a button 'Add Reimbursement'. A green toast message with a close button 'X' is displayed, containing the text 'The data entered has been saved'. Below the toast is a search bar and a table of transactions.
